Subject: RE: DTE Belle River Power Plant Bottom Ash Basin and Diversion Basin Alternate Liner Demonstration Applications

Hi Chris,

Those demonstrations are under the alternate liner demonstration (257.71) which is different than the alternative closure demonstrations (257.103). Michelle Long and Richard Huggins are the points of contact for those demonstrations. They will be able to answer your question better than me.
Thanks!

Subject: FW: DTE Belle River Power Plant Bottom Ash Basin and Diversion Basin Alternate Liner Demonstration Applications

Hi Kirsten,

I heard from Michigan EGLE that they also expected to be hearing about DTE's Belle River and Monroe sites. I wanted to check in and see if you knew if these had come in and weren't posted yet?

Thanks,
Chris
